During the Crusade week, a witchdoctor gave his life to Jesus Christ as his Saviour and LORD and invited us to destroy and burn down the Temple of his gods and and the gods he was Worshipping and serving, we were able to witness the power of the Holy Spirit and revival in the community, as many newly born again believers received and were baptised in the POWER of the HOLY SPIRIT AND SPOKE IN TONGUES FOR THE FIRST TIME. It was such a blessing to see people revived in their faith after two years of lockdown due to Covid19, 76 people got born again in this Crusade.

UCOM STAFF RETREAT AND EMPOWERMENT

15th march 2022

Uganda Christian Outreach Ministries / World Outreach Ministry Foundation, we set up time to EMPOWER our workers /Staff in training, resolving, planning, developing and equipping different departments. Mr. Finney from DAI spent a considerable time empowering us all. This retreat was held at NYOSA country Resort, the aim was to train staff about performance at work and self-evaluation SO THEY CAN EASILY PUT IN ORDER WHAT IS LEFT UNFINISHED advancing God's Kingdom with the same mind, same goals. Many staff eyes were opened up to be creative at work, being productive and efficient. This also has helped us in restructuring and setting up our goals for 2022—2023 together.

DEDICATION OF JUNGO WORSHIP CENTRE CHARCH LAND.

As we run our race to finish what was left undone, Jungo Worship Center, a church that started a year ago during the lockdown on a horn speaker from a local cinema hall which had no service to the community, it became a centre of revival and many were transformed, revived, turning to Jesus as their only hope, living the old ways of drinking, drug addiction, living and glorifying the name of the Lord Jesus Christ. We thank God for His faithfulness through prayer and patience while waiting upon the LORD, the Holy Spirit inspired our dear partners to team up with us to finish what was left undone, they sent us money and we were able to acquire Jungo Worship Center Church land that was dedicated on Sunday March 13th 2022.

BUKUMULA ZONE (BUYANJA AND NAMUNGO WORSHIP CENTRE)

Guided by the Holy Spirit on the 20th /03/2022 we visited two churches in Bukumula Zone, which had lost hope the last two years of lockdown due to Covid19. They were blessed to have us. We witnessed Hope coming back in the believers and their Faith rekindled. they all got excited, filled with the POWER of the Holy Spirit ready to put in ORDER WHAT WAS LEFT UNFINISHED, they talked about starting to make bricks, believing God to build their own new Church building.

BUYANJA WORSHIP CENTER

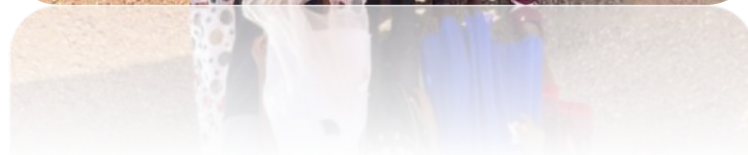

The church is Pastored by Pastor Kimuli Moses and the wife which was initially led by his dedicated mother Nanziri who used to move on foot for over 30 miles to go to evangelise a village which was full of drunkards and the only business they had in that community was to make local beer, drink alcohol and worshipping witchcraft / traditional gods, but by the help of the Holy Spirit, a team led by Apostle Mayanja and the late Pastor Kaweesa held a crusade in Buyanja community and many drunkards gave their lives to Christ. After our Visit we left the Church member on fire ready to put in ORDER WHAT WAS LEFT UNFINISHED, they are starting to make their own bricks so they can build a permanent Church building. God blessed them with the Church land where they can build their own Sanctuary.

NAMUNGO WORSHIP CENTRE:

The church is pastored by Pastor Seth Nsamba and the wife who were sent to pastor Namungo Worship Center Church after graduating from Yesu Akwagala Bible College. They started sometime back to make bricks for their own new permanent Church building, and the foundation of their new Church building has been set up, but the last two years of lockdown due to Covid19, they had lost the Zeal. After our visit and empowering them they talked about going back to their original goals, to PUT IN OEDER WHAT WAS LEFT UNFINISHED and to make more bricks, buy building materials so they can COMPLETE what God instructed them to do. God blessed them with their own Church land so they can easily finish building their Church permanent building.
