

***“REACHING THE LOST WHATEVER THE COST”  
U.C.O.M. REPORT JULY TO  
AUGUST 2022.***

July and August 2022, we have seen God glorified as we serve Him and His people in the Villages of Uganda. Thanks for your prayers and your Financial support and some of you, for your physically coming to Uganda to teach, equip and evangelize door to door and through Crusade ministry. We have witnessed God being glorified through your/our lives and through the instruments you have bought for us to use and through the Church and School buildings and Mission Bus you blessed us with.

**ISAIAH 49:1-3; Says: Before I was born the LORD CALLED ME, from my mother’s womb GOD called my name. The LORD made my mouth like a sharpened SWORD, He made me into a POLISHED ARROW, He said to me, YOU ARE MY SERVANT IN WHOM I WILL BE GLORIFIED.**

**BUKUMULA ZONE, WOMEN’S CONFERENCE/MARRIEDS SEMINAR.**

*We held first women’s Conference in Bukumula Zone at Bukumula Worship Center. Apostle Steven and Cissy Mayanja served during that Conference. Cissy encouraged and challenged women and mothers to ADD VALUE to your personal life, add value to your husband, add value to your children add value to your home,*

**add value to your Church and add value to your community, serving your husband as serving God. God called the women / Mothers so that through us God will be glorified in our lives, our marriages or in our homes. Proverbs 31 woman of Noble Character.**

**And during the Marrieds Conference Steven and Cissy Mayanja encouraged Men/ Husbands to add value to their wives, add value to their Children, add value to their homes, add value to their Church and add value their Communities, teaching, equipping and Mentoring their Children and their Household in the ways of God, so that God will be glorified in the lives of every person who is under their household as they learn and walk in the ways of God Almighty. ## **BUSOGA ZONE CONFERENCE / CRUSADE AT KITIKILO WORSHIP CENTER.**

July marked a new beginning for Busoga Zone as God blessed them with New Sound equipment to use in their Monthly Gospel Outreaches in Busoga Eastern Uganda. These Pastors and their Believers have been going out door to door, Village to Village Preaching the Gospel every month using their local drums as their sound Instruments, speaking to many gathered people without sound system. In July 2022, God used Pastor Neil Bernard and the Saints of New Wine Christian Fellowship in Laplace Louisiana USA to buy them all the sound equipment including the Generator so they can do God's Ministry more effectively. We held Pastors and Church leaders Seminar and every evening we held evangelism outreaches using their new Sound equipment. Our Church now is very small we are believing God to buy another Church land opposite the Church so they can build a New Church building to accommodate all the people who accepted Jesus Christ as their Lord and Savior.

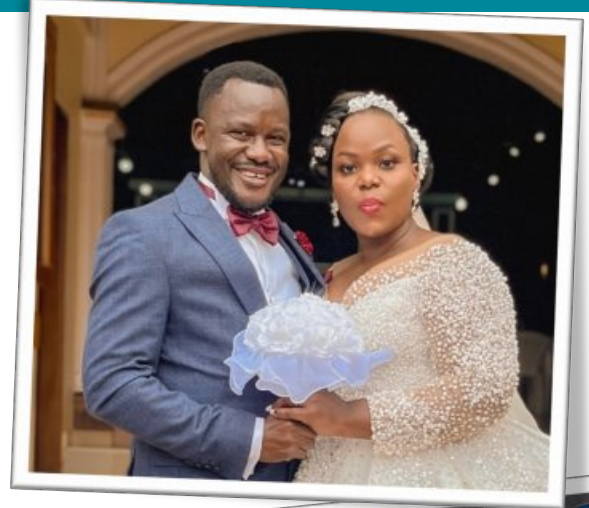

## **EMMANUEL AND PATIENCE GETTING MARRIED.**

On July 30th our WOMF/ UCOM Media Director in Uganda Emmanuel got married to Patience who serve in UCOM office Financial Department, their wedding glorified the name of Jesus Christ and God was Glorified through their wedding as a living testimony especially to Emmanuel's family members because Emmanuel's father and mother died when he was a child, Emmanuel and his sister, raised by foster parents were able to make it in life after the only person that was close to them died as well, there Grandmother. when Emmanuel invited some of his extended family from his paternal and maternal side to his wedding they openly asked to be forgiven because they never took their responsibilities bringing him up when his parents died. But God had his back and was glorified through Emmanuel and his life achievements, his studies, his work, his wedding all his life decisions clearly proved that God is able to do exceedingly above what we think and ask. Isaiah 49:1-3 was fulfilled that before Emmanuel was born the LORD called him by name, God made him his polished arrow saying, Emmanuel, you are my Servant in whom I will display my splendor.

## **LUWERO ZONE CRUSADE AND SEMINAR AT BOMBO WORSHIP CENTER CHURCH AMONG THE NUBIAN MUSILM TRIBAL PEOPLE.**

Pastor Caleb who is a Nubian, born in a Muslim family, raised up a Muslim believer, but accepted Jesus Christ as his personal LORD and Saviour at Seguku Worship Center, he attended Yesu Akwagala Bible College in Masaka. God Called Caleb and his wife Annet to return to Bombo and plant a Christian Church among the Muslim Nubians, his tribal people twelve years ago. He has been persecuted, his church rejected, pushed out of the community and he was never allowed to preach openly like crusade Outreaches, he has been slow but

sure advancing God's Kingdom through one to one. Pastor Steve Bradcovich and the Family Church of Washington Community Church in Varginia, was called by God to Partner with WOMF / UCOM to buy Church land for Bombo Worship Center, and to build a Permanent Church building in the midst of this Nubian Muslim people. We drilled a water well providing clean and safe water for the Church and the Community, which has changed the attitude of these people, they accepted Pastor Caleb and welcomed Jesus Christ's Full Gospel to be preached in their community because they realised that Jesus and His Church are out to bless them and Love them. Pastor Steve Bradcovich led a team from Washington Community Church in Virginia who teamed up with our Uganda Christian Outreach Ministries Luwero Zone Crusade team, they went door to door every day visiting Muslim homes / Families and they were all welcomed and listened to the Gospel of Jesus Christ and we held open air Campaign preaching every evening for five days, we witnessed many getting healed, saved and on Sunday of 14th August Pastor Called welcomed twenty two newly Muslim young men and women who accepted Jesus Christ during those five days campaign and after service they had launch together with Pastor Caleb and the Saints of Bombo Worship Center welcoming them into the Family of God. Their parents allowed the young men and women to make their own life decision to follow Jesus without opposing them God is GLORIFIED THROUGH CALEB AND HIS FAMILY, WOMF / UCOM and through WASHINGTON COMMUNITY CHURCH BELIEVERS USA

Though Fuels has increased but we trust and believe God that many of you will team up with Jesus and the Holy Spirit to send us every month with Financial Support so we can go make disciples of all the Villages of the Great Lakes Region of East Africa.

## **ANNUAL WOMF-UCOM PASTORS' & LEADERS' CONFERENCE – 2022.**

After an absence of over 2 years due to lockdown and ban on mass gathering caused by the covid-19 pandemic globally, we have been gratefully able to hold our Annual Pastors & Leaders' Conference and General Meeting. It is the major event that gathers all Yesu Akwagala pastors from across Uganda and a wonderful fellowship and celebration of the Lord's call and mission entrusted to us as a family, YESU AKWAGALA. We wonderfully and abled of the Lord did host our pastors and leaders at the new campus of Yesu Akwagala Bible College at BUVVI with the theme: YOU ARE NOT YOUR OWN – 1 Corinthians 6: 19 -20.

We, were reminded and empowered to glorify God in our daily lives, setting an example of love to our spouses, children, family, church, and our communities. Pastors returned to their homes empowered, restored and fired up to glorify God in all ways of life.

Pray for us and PARTNER WITH WOMF/UCOM as we reopen YESU AKWAGALA BIBLE COLLEGE this September to resume our mission of training World-Changers. Your financial gift helps to provide training and enable school costs at college for a pastor who is called to serve their community but lacking training, Also for that young man and young woman with a vision and call on their life, but who needs to be prepared, trained and equipped first, in order to go out ably in the power of the Holy Spirit to serve under their local church and or to plant a church among the churchless people. Please consider Sponsoring a student at US\$ 660 per academic year at Yesu Akwagala Bible College, Buvvi.

We grateful for your support that has enabled us to build to an Administration Block, Four Classroom Block, Library, Girls' Hostel, a Cafeteria, Teachers' Quarters, and a Boys' Hostel for which we are trusting the Lord for funds to complete. We have drilled a water well to provide safe and clean water and connection to the electricity. There is yet more work of construction to be done, but we are starting trusting the Lord to provide as we carry on.
